**What If You Are Unsure Where to Book?**

If you're not sure where a specific supplier or product should be booked, don't guess.

Here's what to do:

1. Check Your Reference Sheet (this module!)
2. Look at the Partners List in TPICore
3. Ask! Either in the Wanderly Lounge or Tammy or Sue.

It's far better to pause and double-check than to fix a mistake later.

6. Final Thoughts

Booking travel is both an art and a science. Your responsibility is not just to complete a transaction but to deliver peace of mind, confidence, and an unforgettable vacation experience. This starts with knowing where and how to book properly.

Each platform becomes easier with practice, and with the support of your team and this guide, you're well on your way to success.
