1

Before 7 am on your park day, log into your ***My Disney Experience*** account and click on the menu icon (three horizontal lines) in the bottom right corner. Then select ***My Genie Day*** in the top right.

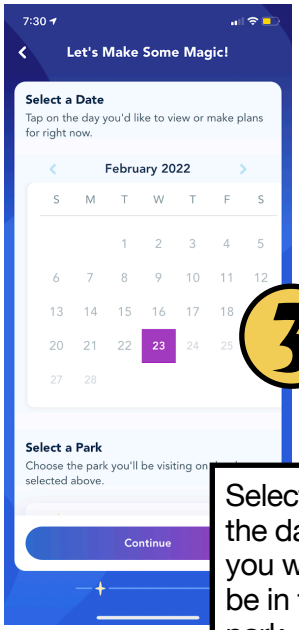

2

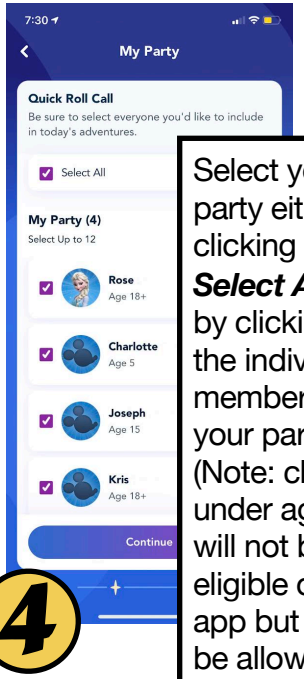

Select **Get Started Now / Start Now** to begin setting up your Genie+ experience

3

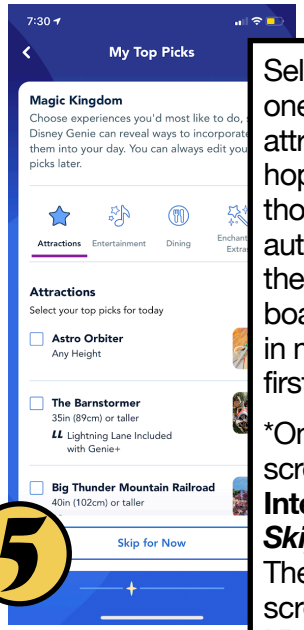

Select the date you will be in the park.

4

Select your party either by clicking ***Select All*** or by clicking on the individual members of your party. (Note: children under age 3 will not be eligible on the app but will be allowed to ride with other members of the party.

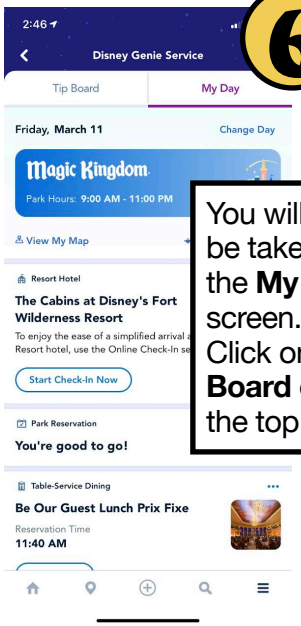

5

Select **ONLY** the one or two attractions you hope to get first as those should auto-populate to the top of your tip board & save time in making your first selection.

*On the next screen entitled **My Interests**, click ***Skip for Now***. Then, on the next screen, select ***View My Day***.

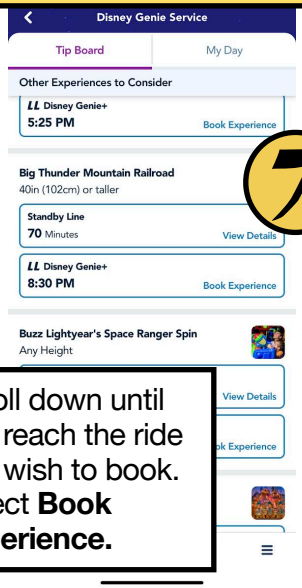

6

You will then be taken to the **My Day** screen. Click on **Tip Board** on the top left.

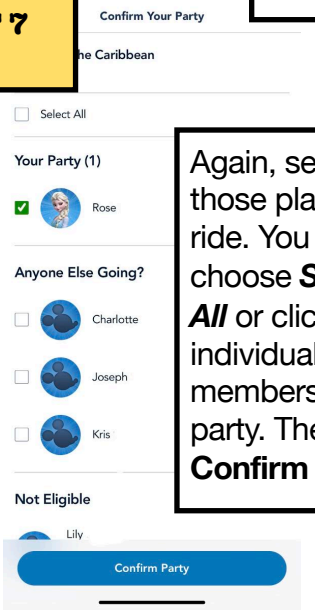

TO BOOK YOUR LIGHTNING LANE ATTRACTIONS, BEGINNING AT 7 AM, GO TO YOUR TIP BOARD.

7

Scroll down until you reach the ride you wish to book. Select **Book Experience.**

8

Again, select those planning to ride. You may choose ***Select All*** or click on the individual members of your party. Then click **Confirm Party.**

9

To confirm you have reserved your Lightning Lane, check that it appears under the My Day tab.
